The matter regarding recognition of B.Tech degree awarded by UGC recognized Universities through Distance Mode was examined in the Ministry. After a detailed
examination of the subject matter referred above, the following course of action has been approved at the highest level in the Ministry:

(i) DEC should immediately withdraw permission given to various institutions to conduct B.Tech/ B.E programmes through Distance Mode and no student should be admitted in the current year also those who have already been admitted will have to pass both practical and written examination as may be prescribed in this regard, so as to give validity to the B.Tech/ B.E degree acquired by them through distance education.

In view of the above, I would request you kindly to take further necessary action to implement the action mentioned at para (i) above immediately and also further evolve a broad policy and guidelines to give effect to the action as mentioned at para (i) above. This being a very important and sensitive issue, an early action in the matter will be highly appreciated”.

This has reference to the MHRD letter No.6-7/2009-DL Dated 29th July 2009, vide which MHRD has directed the DEC to immediately withdraw permission given to various institutions to conduct B.Tech/B.E Programmes through distance mode and also ensure that no student are admitted in the current year.

In this connection the Joint Committee of UGC-AICTE and DEC has not yet accorded any approval to BE/B.Tech programme of any University offered through distance mode. Any such programmes offered by a University are hence illegal and are not approved by the DEC.

Thus it is notified that the above notification of the MHRD is to be strictly adhered to and no University should offer any BE/B.Tech programme through distance mode. Any deviation from this policy may invite de-recognition of the concerned University by the DEC”.
